PRESBYTERIANS HOLD MEETING AT CAMERON

CENTRAL TEXAS PRESBYTERY OPENS HERE TUESDAY NIGHT

The Central Texas Presbytery began its session at the Presbyterian church Tuesday night, opening with a sermon by Rev. H. G. Kenney.

W. G. Gillis, moderator, opened the session with a brief word of greeting then introduced his pastor who delivered the opening sermon.

The assembly representing the Central Texas counties proceeded to organize by the election of Rev. Silk of Austin as moderator.

S. J. McMurray, secretary called the roll and many of the churches answered present with their ministers or delegates.

W. H. Matthews of Marlin preached on "Pastoral Evangelism" at the Wednesday morning sermon. In the afternoon the routine business of the Presbytery was transacted. Again at night the body conducted a busines ssession.

The Presbytery is the court for the church and takes up all matters of business before the body and makes decisions relative to matters in controversy. The session has been harmonious from every angle.

One of the distinguished visitors is Dr. Red of Waco who is compiling a church history.

Cameron homes have been opened to the visitors and they are being entertained royally.

The session is expected to close here at noon Thursday but may continue until Friday.

Matters of missions and evangelism, together with the general work of the Presbytery are under discuss on and the session here is expected to promote the work of the churches.

LIONS ENTERTAIN IN PROGRAM FOR WOMEN

BRYAN LIONS CLUB PUTS ON PROGRAM FOR LOCAL MEMBERSHIP

Gameron Lions and their wives were entertained by a delegation of Lions from Bryan at the Methodist church Tuesday evening.

Wm. Cobb was in charge of the program and arranged with his son who is the editor of the Bryan Eagle to stage the program.

It was the regular weekly meeting of the club which once a year gives over to an entertainment for the ladies of the club.

Mrs. Hale of Bryan gave a reading; Miss Wiley, piano solo and Mrs. Irvin piano solo.

Another feature of the program was the address of Prof. Berkman of A. and M. College on botany.

Prof. Thomas Mayo, of the English department at A. and M. delivered the principal address on "Psycho-analysis of the Conservative and Liberal Mind."

O. M. Smith, H. M. Hefley and W. O. Newton were appointed on the committee to provide the entertainment for the next monthly meeting.

Dynamite Charge At Milano Blows Man From Well Monday

Sam Taylor, Jr., 20 years old is in the Cameron hospital slowly recovering from the effects of a charge of dynamite prematurely exploding Monday afternoon in a well near Milano.

Taylor who has a large hole in the flesh part of his right leg and a broken arm, had fixed the charge and was climbing up a ladder to safety when the charge exploded. He was blown about ten feet in the air, falling back into the well.

The man was rescued and the Coleman-Eplen ambulance was called. In less than one hour he was under the care of physicians at the Cameron hospital and through his remarkable nerve and immediate care he will survive.

YOUR GOVERNMENT

WHAT THE CITY COUNCIL IS DOING

Aldermen Sam McDermott, E. L. Brod and Logan Green were inducted into office Tuesday afternoon at 3 o'clock and Aldermen W. O. Triggs and Wm. R. Rogers retired from office. The council passed a resolution published elsewhere in this issue commending the retiring officials for their faithful service to the people of Cameron and the government. Mr. Triggs had completed five years as alderman. Mr. Rogers had served for one year, declining recently to be elected to a two year term as did Mr. Triggs.

Mayor Davis appointed the committees to organize the council for the next fiscal year.

The council passed an ordinance regulating the speed of trains thru the city to 8 miles per hour. The ordinance provides that if the railroad companies will install and maintain signals at the crossings the speed limit will not operate. The council is seeking by this ordinance to bring about safety at the crossings, a benefit that has been agitated here for the past ten years or more. The ordinance was passd under suspension of rules and goes ino effect immediately. The railroad companies have been notified and the city marshal has been instructed to enforce the ordinance. Officials of the company are to be invited here, if the companies elect to install the signals, to go over the situation with the council and to locate the signals at proper crossings.

J. C. Joseph was appointed secretary and treasurer for the city to carry on the duties of that office in the absence of Mr. Brown. When Mr. Brown recovers he will again resume his duties as secretary. Mr. Joseph gave bond and qualified on Wednesday.

City Marshal Slocomb reported recent inspection of the dairies and also drainage conditions with the view of climinating the mosquito menace. He made some recommendations in regard to better sanitation. Dr. A. S. Epperson, city health officer, accompanied Mr. Slocomb on this inspection. The city is expected to call for a riged policy of sanitation.

The following committees were named by the mayor but will be revised since the resignation of J. C. Joseph as alderman to accept the secretaryship:

Street and Alleys: L. Green, Chairman, Ernest Brod and S. H. McDermott.

Finance: J. C. Joseph, Chairman, J. B. White and S. H. McDermott.

Fire, Water and Light: S. H. McDermott, chairman, J. B. White, and Logan Green.

Purchasing: Ernest Brod, chairman, J. C. Joseph and S. H. McDermott.

Taxation: J. B. White, chairman, S. H. McDermott and Ernest Brod.

Police: Ernest Brod, chairman, Logan Green and J. C. Joseph .

Petitions and Complaints: Logan Green, chairman, J. B. White and Ernest Brod.

Ordinance: J. B. White, chairman, S. H. McDermott and J. C. Joseph.

Sanitary Regulations: J. B. White, chairman, S. H. McDermott and Ernest Brod.

Marshal Slocomb said that the slaughter house needed some improvements and also that some of the dairies needed improvements. The summer months, he said, will increase the demand for better sanitation and the city will likely take all necessary steps soon.

The city received a petition from Mrs. Kathryn Robbins and Homer McLane for street lighting in the vicinity of their homes in Cameron. The city council referred this matter to the committee on Water, Lights and Fire of which Mr. McDermott is chairman. This and the light petition will be acted on in a few days.

The city desires to make some arrangements to light up the public square and hopes to be able to reach an agreement with the county whereby the lights may be restored. The underground system has shorted out, according to the electricians and the pavement cannot be disturbed to that extent.

KNIGHTS PYTHIAS TO INITIATE BIG CLASS

COMMITTEE NAMED TO ENROLL CLASS FOR SUPREME CHANCELLOR

April and May will be the most active months of the year for Milam Lodge No. 125 Knights of Pythias, according to plans announced by Chancellor Commander Jake Posey. Under a recent proclamation issued by Supreme Chancellor Richard S. Witte, Milwaukee, Wis., the lodge will continue its reclamation of suspended members through April. At the same time a drive will be conducted for a class of candidates to be initiated in May as a tribute to the Supreme Chancellor. Both lodge committees are actively conducting the drive and when the class is initiated in May, officers of the Lodge expect to have increased the membership more than ten per cent.

Officers of the Lodge are working to win one of the several hundred prizes to be given by the Supreme Lodge to Subordinate organizations making the largest number of re-instatements. Prizes to be given include silk flags, valued at $5 to $100; Pythian banners of the same value; steropticans for use in initiation and a varied selection of robes for officers and members of the initiation team, some of which are valued at from $200 to $400. Besides prize awards to lodges for massed results, the Supreme Lodge will distribute a number of awards to individual members for personal effort. More than 120 prizes will be awarded individual members, ranging from Histories of the Order to diamond rings.

Chancellor Commander Jake Posey announced the following members of the lodge as a committee to direct the drive for the honor class to be initiated early in May: C. E. Porterfield, chairman, J. P. Love, Wm. Baskin, M. G. Cox and Chas. Nabours.

In connection with the campaign for new members and the return of those who have been suspended, all auxiliaries of the Order are making special efforts to keep pace with the parent organization. Under direction of Mrs. Ada Belle Onion, Dallas, Texas, Supreme Chief, the Pythian Sisters, by holding annual roll calls and through assistance of the Order in social functions, are adding large classes for the ritualistic work. Major General Samuel L. Trabue ,in command of the Uniform Rank, announces rapid growth of the Military Department. To keep pace with the Order's growth, the Insurance Department has set in motion new plans of activity in presenting the claims of this auxiliary for recognition as a home protector. Under the new certificates provided by the Supreme Lodge at its last session, the Department offers home protection which also provides cash loan, cash surrender, double indemnity and disability protection to all members of the Order.

According to officers of the Supreme Lodge the April and May drives promise more than 50,000 additions to the lodge rosters. All lodges in the Supreme Domain will initiate a class between May 2nd and 14th, and will report the number in the class on the night of the initiation to the Supreme Chancellor by telegram.

ROBERT E. GREEN SAYS FATHER WAS DEPUTY IN STORY RELATED HERE

Robert E. Green of Brownsville was in Cameron this week and while here called at the Herald office to express his reading with interest the story written by Judge Jeff T. Kemp as told by John Baldridge, eye witness to the burning of a negro by a Bell county mob in Milam County in 1876.

In the story as related Mr. Baldridge recalled a deputy whose name he did not remember. Mr. Green says the deputy was Robert B. Green, his father.

Interesting articles of this kind are widely read and recall many incidents of the past.

RICHARD S. WITTE

Supreme Chancellor, Knights of Pythias, Milwaukee, Wis.

More than six thousand lodges of the Pythian Order will pay a tribute to the head of the Organization by initiating a class of candidates between May 2nd and 14th Supreme Lodge officers directing the campaign expect a total of more than 50,000 candidates. In connection with this honor class the Order will direct an educational movement which will provide every lodge with a special speaker for the initiatory convention who will be either Supreme or Grand Lodge officers or past members of both bodies.

PRIZES FOR GARDENS OFFERED IN CAMERON

BUSINESS AND PROFESSIONAL WOMEN TO AWARD $17.50 IN MAY

Have you a garden? If not plant one. If you have one call Miss Rose Rischar at the Cameron Hospital and list your name.

The Business and Professional Women of Cameron are offering prizes aggregating $17.50 for the best gardens. The prizes are to be awarded as follows: First $10; second $5; third $2.50.

The gardens are to be judged between the 10th and 15th of May. It is said that the grades will take into consideration the variety of vegetables grown and the state in which the garden is found with allowance for neatness and general appearance.

The Business and Professional Women are to be congratulated on their interest in the growing of gardens in Cameron and the offering of these prizes is certain to enlist a large competition.

If you have a garden and wish to enter telephone Miss Rischar and list your name and street address. If you do not care for the competition you should list your garden anyway in order to encourage the work of the club and the growth and development of the vegetable garden as a valuable household industry.

World Ready To Hear Ministers Who Have Message Says Kenney

The world will listen to ministers if they have a message worthwhile said Rev. H. G. Kenney of the Presbyterian pulpit here on Tuesday night in the opening sermon of the Presbytery assembly for the Central Texas churches.

The pastor, a thinker pre-eminent, was directed in his message to the distinguished company of ministers and delegates here for the session. Christ attracted attention because when he spoke he said something, declaring the minister and preachers who speak to fill the hour with words that are meaningless, cannot attract men.

Less dogma and doctrine and more of the inspiration of experience and the Golden Rule among men is what the world needs today, he said.

The pastor in the course of his sermon said that he had recently made a search of sermons of all denominations to ascertain the themes of ministers. He said he had found hundreds of sermons on questions of theology, how to raise a church debt, salvation, justification, sanctification and a galaxy of others, but could count on the fingers of one hand the sermons he found on the Golden Rule which he declares is a great fundamental and was emphasized by Christ.

MIKE COLEMAN WILL DIRECT CHEVROLET CO.

CHEVROLET FRANCHISE PURCHASED BY C. E. COLEMAN HERE

The Mike Coleman Chevrolet Company will be the name under which this popular franchise will be known in Cameron beginning about May 1st.

The franchise has been purchased by C. E. Coleman, who will be in active management of the company.

Friends here and elsewhere of Mr. Coleman will be pleased with this announcement that he is to enter the automobile field with this popular General Motors Product.

Joe Middleton who was manager of the company under the franchise when owned by John House, will again be associated with the firm and his friends will be glad to know that he is to remain in Cameron and be with Mr. Coleman in this business.

T. E. Key who was in charge of the office and W. C. Hickman foreman of the mechanical department will also be with the Mike Coleman Company and their many friends here will be pleased to know they are to remain with the company.

Mr. Coleman says that he will take over the business about the first day of May. He is now with the Hefley Theaters in Cameron and has been directing them for several years. He is a popular young business man and a worker among the civic bodies of the city.

Noted Fiddler Will Play In Houston For Old Time Dances

Sixty-four years ago a small boy sat on a box in a rustic pavillion playing his fiddle while Confederate soldiers danced.

"Uncle Mike" James of Houston loves to tell of his first engagement and how big he felt when the soldiers crammed $67 into his pockets. Uncle Mike is one of the best known fiddlers in this part of the state, and has played frequently over KPRC.

He will play for the old square dance scene in the musical panorama the Woman's Club is presenting Friday night at the City Auditorium. Those who will dance:

Dr. and Mrs. E. Clinton Murray, Dr. and Mrs. L. W. Raney, Mr. and Mrs. E. L. Flowers, Mr. and Mrs. C. A. Miller, Mr. and Mrs. John T. Bigger, Mrs. Bud Randolph, Mrs. C. A. Teagle, Mrs. Will Kendell, Dr. F. B. King, Dr. S. C. Rad and John Henry Kirby. Mr. Kirby will be the caller.

Tickets are on sale at Sweeney Jewelry Store.

BREAKS FOOT

John Hefley suffered painful injuries Monday afternoon when a horse fell with him in front of the New Cameron Drug Company, breaking two bones in his left foot. He was taken to the hospital and later to his home. He is resting well though in considerable pain.

His many friends here will regret to learn of his injury but will be pleased to know that he will soon recover.

H. C. KEITH HOME FROM FRIGIDAIRE CONVENTION

H. C. Keith returned Sunday from Dayton, Ohio, where he spent ten days attending the eleventh annual convention of the Frigidaire and Delco Light Corporation, that was in session there.

The crowd was large and the amount of business that was turned in the second day amounted to $3,826,000.00.

This is Mr. Keith's third trip to the Convention. Each time he has been a star salesman, and this trip is offered to those who have made record sales.

WRECKING ST. MONICA'S

St. Monica's church is being dismantled. The parish has under consideration plans for a new modern brick building and expects to be able to build in a short time.

The church was destroyed by fire recently and the walls are now being torn down.

MEN OF CAMERON TO HEAR W. C. DAVIS

BAPTIST BIBLE CLASS TO GREET LARGE NUMBER NEXT SUNDAY

Invitations are being presented to more than 200 men of Cameron to hear Judge W. C. Davis of Bryan at the Baptist church Sunday morning at 9:45.

The class extends an invitation to the public to hear Judge Davis. A committee has been named to extend these invitations by telephone.

The class of which F. B. Cable is teacher and P. S. Graves is president, will meet in the auditorium of the church promptly at 9:45. Mr. Black will be in charge of the song service for the exercises.

The auditorium is expected to be filled at that hour. A large number of men from all churches have been invited and if the committee fails to ask all the men of Cameron they have an invitation by vote of the class.

Judge Davis, now district judge at Bryan, was formerly district Judge here and has a large number of old friends and acquaintances here who will welcome this opportunity to hear him.

The class had 36 in attendance last Sunday. New pupils enrolled and welcomed as follows: Geo. Banzhaf, Ralph Head, Dr. J. L. Denson, L. L. Blaylock, Mr. Edminston, John House, Jack Henderson, W. H. Menefee, Walter Lucas, Mr .Hickman and Frank Brock.

Rev. L. J. Power of the Methodist church will deliver the Mother's Day address to the class at 9:45 a. m. on Sunday May 8, the closing date of the enlistment campaign.

Governor Moody cannot attend the banquet here on May 12 and Mr. Cable is to invite a speaker for that occasion.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsilitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

Strong the Family Praise!

Houston, Texas.—"I wish to say Dr. Pierce's Favorite Prescription has been a blessing to our family, especially in one daughter's case. She was in a serious condition with woman's weakness and just about past going when we decided to try one more remedy we had heard of — the 'Favorite Prescription.' Well, a few bottles of this helped her so she has never had any more trouble of the kind. So it is no wonder that we have depended wholly upon this one remedy ever since for all such ailments."—Mrs. Emma Allen, 313 Hogan St.

SYSTEM CHOKED

Texan Was Helped by Use of Black-Draught.

Mr. James W. Burnett, who lives on Rural Route No. 4, Whitney, Texas is a great believer in Thedford's Black-Draught for the relief of such common ills as indigestion and constipation. He writes:

"Since I first found out about Black-Draught, I have never been without it in the house. For several years, I had been a sufferer with indigestion. Occasionally, my system would become thoroughly choked with poison, and I would have a real sick spell. Now I ward them off by being forehanded, and taking Black-Draught *before* they come, *instead of after*.

"We all use Black-Draught in our home, for constipation and indigestion."

Get a package today, and try Thedford's Black-Draught the next time you are constipated. Sold everywhere. One cent a dose.

Texas Tech Is New Attraction For Textile Mills

A new factor to interest the textile industry in Texas has been produced by the State's newest addition to its higher education facilities—Texas Technological College. Although only in its second year, its student body of more than 1,500, many of whom already know cotton from the seed to the bale, is learning cotton from the opening of the bale to the finished bolt of cloth. Graduates from this school are destined to become leaders in the growing textile industry of the State.

Texas Tech has been fortunate in having the interest of the entire State behind it. Originally planned as a West Texas college following years of insistence from citizens of that part of the State for a technical educational institution, Texas Tech was founded on a broader plane as an all-Texas undertaking and is drawing its students from all sections of the State.

John W. Carpenter, vice-president and general manager of the Texas Power and Light Company, is a member of the original board of regents appointed for the school by Governor Neff, and has taken more than an ordinary interest in the institution, particularly the department of textile engineering. Mr. Carpenter has been actively engaged in spreading information about the possibilities for textile development in Texas and has visited many textile mills in the Southeastern States and New England to secure ideas for the development of similar mills in his State. He also founded the John W. Carpenter scholarship, which provides a sum annually for the student who makes the highest record in textile engineering. On his appointment to the board of regents, Mr. Carpenter, with Dr. P. W. Horn, president of the college, and others interested in the new institution, visited the principal textile schools of the East and appropriated the best ideas they found for the Texas school.

Through the efforts of Mr. Carpenter and Col. F. P. Holland of Farm & Ranch, a forty-eight-page booklet, describing the Texas Technological College and entitled "Textiles and the New Generation," was printed recently. This booklet tells of the history of the college, its progress and its aims. Ten thousand copies were sent out by the college to Texas citizens and prospective students, and also to textile mill owners in America, England and Japan.

T. P. L. Starts 1927 Campaign To Bring Mills To Texas

WALDO C. COLE

Waldo C. Cole, industrial commissioner of the Texas Power and Light Company, has been sent to Boston and other New England cities in an effort to bring a number of textile industries to Texas, John W. Carpenter, vice-president and general manager of the Texas Power and Light Company, announced recently. Mr. Cole will remain in the East at least six months, acquainting capitalists and textile mill owners with the possibilities in Texas.

The Texas Power and Light Company has inaugurated a year's advertising campaign in national textile and manufacturing magazines, to be devoted to spreading information about the industrial possibilities of Texas in the textile industry.

Mr. Carpenter, himself a native Texan, has devoted much of his time the last five years to trips through Northern and Eastern States to confer with capitalists interested in the textile industry and bring back ideas that would be helpful in the industrialization of his State. Several of the newer textile mills are now operating in Texas as the result of Mr. Carpenter's efforts.

Mr. Cole was reared in the cotton mill sections of the Carolinas, where he received much of his practical training. Until a few years ago he was in charge of one of the largest textile mills in Mexico.

Before leaving for New England, Mr. Cole made extensive trips through Texas, conferring with Texas mill owners, studying the growth of these mills and gathering detailed information and samples of the goods to use in presenting the case of Texas.

One of the newest advantages of Texas for textile mills which Mr. Cole will present during his stay in the East will be information about Texas Technological College at Lubbock, which has become one of the ranking textile institutions in the South, although only in its second year.

To Cameron Herald

I am interested in the marketing of cream and would like to see a milk route operated by my residence. I think the daily sale of cream would increase and the farmers would appreciate this service.

Name .....

Address ..... Route .....

The Cameron Commercial Club is trying to increase the production and sale of cream from the farms in the trade territory. If the farmers will co-operate the club feels assured that it can arrange to have this milk and cream delivered daily into Cameron at the cream station where ready cash awaits the farmers.

The plan to encourage the production of cream and increase the revenues of the farm is suggested by Mr. S. M. Burns, active club director and member of the committee on home industry. If the farmers want to increase their income with ready cash the year round, they should sign and return the above coupon by not later than May 1. This signed coupon entails no obligation whatever. It is merely a canvas of the farmers who live on the roads out of Cameron to see if the production of cream may be increased so that the construction of a creamery here will be made possible.

RESOLUTION

Whereas, Aldermen Wm. R. Rogers and William O. Triggs have served the City of Cameron faithfully and well during their incumbency, and the term of office expire on this date; and

Whereas, the services of these gentlemen to our city deserve the recognition and appreciation of their fellow officers with whom they have served:

Now, Therefore, Be it resolved by the City Council of the City of Cameron, in regular session this day, the 19th day of April 1927.

1. That we express to Messrs. Rogers and Triggs our profound appreciation of their efficient and unselfish service to the city.

2. That we commend their devotion to duty, their loyalty to our town, and their unwavering efforts to assist in making Cameron the best town in Texas.

3. That we recognize the value of the work done by them, and are confident that the impress of it upon our institutions will survive and serve as markers in the progress of the city.

4. That we express our regret at their retirement from public service and assure them that our best wishes and friendship will accompany them, and that the spirit of comradeship developed through the months of association together will be to us a pleasant memory.

5. That a copy of this resolution be spread upon the minutes of the City Council, a copy handed to these gentlemen and a copy be printed in the local papers.

RESOLUTION OF RESPECT

The following are resolutions of the Cameron History Club on the death of Miss Ada Henderson.

Whereas, we the members of The Cameron History Club, in deep appreciation of the never-failing and unending uplift of the life of Miss Ada Henderson, desire to express sincere gratitude for the ennobling influence of her membership, which began with the organization of the club and,

Whereas we feel that an incalculable benefit has been bestowed on us all through the inspiration of her high ideals and attainments both spiritual and intellectual.

Be it resolved: that her life stand, for us, as a beautiful fulfillment of the Scriptural appeal. Finally brethren whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, think of these things."

We count ourselves privileged to have been her friends.

The Cameron History Club.

YOUNG MEN'S CLASS SHOWS LARGE INCREASE

The Baptist Sunday School class of young men under Mr. J. C. Martin were reorganized the beginning of this quarter. New officers were elected and the class has, with all members working to make it one of the largest classes in the Sunday School, more than doubled its average attendance. We hope to make this class not only a big class but one that will do some real good work. All young men between the ages of 21 and 31 are cordially invited to attend our class.

INJURED IN AUTO WRECK

Rockdale, Tex., April 19.—A Ford sedan, driven by Mrs. Robert Hyde, and occupied by five women and two children was overturned while making a sharp turn on the Cameron road, Monday afternoon.

Mrs. Ben Brown, one of the occupants, received a broken shoulder blade, and others were slightly bruised and shaken up. The trouble was caused by brakes failing to work. The car was badly damaged.

Stop That Itching

Use Blue Star Soap to cleans the effected parts, then apply Blue Star Remedy. It penetrates the skin, kills out the germs, stops the itching at once, and restores most cases to a healthy condition. Eczema, Tetter or Cracked Hands, Poison Oak, Ringworm, Sore Blistered Feet, Sunburns, Old Shin Sores—all of these have yielded to its wonderful healing power. 60c and $1.00 a Jar; Soap 25c, Manufactured by Star Products Co., Cameron, Texas.

RUPTURE
Expert Here

The Seeley Co's expert, of Chicago, will personally be at the Raleigh hotel and will remain in Waco Thursday only, April 28. Mr. Seeley says:

"The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods—exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions.

CAUTION—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. Our expert will be glad to demonstrate without charge or fit you if desired. Business demands prevent stopping at any other place in this section.

N. B.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley.

A Word With the Old Folks

Elderly People Are Learning Importance of Good Elimination.

IN the later years of life there is apt to be a slowing up of the bodily functions. Good elimination, however, is just as essential to the old as to the young. Many old folks have learned the value of *Doan's Pills* when a stimulant diuretic to the kidneys is required. Scanty or burning passages of kidney secretions are often signs of improper kidney function. In most every community are scores of users and endorsers who acclaim the merit of *Doan's. Ask your neighbor!*

TRUST COMPANIES BANK NEWSPAPER ADVERTISING HIGHEST

The outstanding trust institutions of the United States are those that were pioneers in using advertising as a means of selling their services, a speaker told a conference of trust companies held in New York recently. He presented the results of a questionnaire sent out by the Trust Company Division, American Bankers Association, making an inquiry into the advertising practices of institutions doing a trust business. Three out of every four trust companies and banks engaged in extending trust services were found to be advertising. The opinion was expressed by the speaker that their growth would closely follow the amounts spent each year for advertising.

The local newspaper is the most highly regarded advertising medium, it was disclosed. In all, 929 companies answering the questionnaire used the local papers and 338 did not. The institutions buying space in local papers are evenly divided among all sections of the country. Comparing six media for selling personal trust services and considering their effectiveness from the standpoint of producing results, the speaker declared that the local newspapers should head the list. Folders and booklets can reach a limited audience, he observed, but the newspaper is the best medium for acquiring prestige and mass circulation. It should never be omitted, he urged.

BRIDGE PARTY

Miss Grace Eplen gave a pretty appointed bridge party Monday evening which complimented the Monday Night Bridge Club. An environment for the games was provided by the garden blossoms in mingled pastel tints, the predominating pink and green being matched by the covers, tallies and score pads for the three tables. Misses Dulce McCall and Myra Lankford were awarded novelty trophies for scores. Diamond centered brick ice cream with pink and green iced angel food squares were served on large hand painted trays centered with blue vases. Small clusters of sweet peas tied with pink and green ribbon were used as plate favors. Besides the members of the club there were presnt: Mrs. Lee McLane; Misses Myra Lankford of Waxahachie, Earle and Nadine Bragg and Mary Burnett. Miss Eplen was assisted in hostess duties by her mother, Mrs. J. M. Eplen.

FULL O'PEP CLUB

The 4-H Full O'Pep Club of Jones Prairie had its regular meeting Monday, April 11, 1927.

The meeting was called to order by the president and the roll call was called by the secretary. All members had good reports on their projects. Miss Bartholmew gave required instructions on sewing after the business was disposed of.

The meeting was closed by two club songs. Our next meeting will be held at Jones Prairie School, Monday, April 25, 1927.

FORTY-TWO CLUB

The Forty-two club was entertained by Mrs. J. C. Tucker last Friday afternoon at her attractive home on East Seventeenth Street.

The Easter idea was carried out in the decorations. Roses and fern were tastefully arranged in vases and baskets. Three tables were provided for the players.

Mesdames Gillis, Rush Thomas, Tiff Moore were lucky in the cut for table favors and received large novelty easter eggs, filled with home made candy.

The hostess was assisted by Mrs. Roy Baskin in serving a delicious salad plate of cheese straws, nut bread sandwiches, olives and ice tea. Mesdames Roy Baskin, R. J. Long and Roy Law were guests.

HENRY FRICKE

Henry Fricke, native of Germany died after a long period of illness at his home near Burlington, Wednesday April 13, 1927. For the last two years he had been an invilad.

Mr. Fricke came to this country when a young man, and for a long time he has been a resident of Milam County.

Funeral arrangements were in charge of Coleman-Eplen, undertakers of Cameron. Services were held at the Lutheran church at Burlington Friday afternoon at 3 o'clock with the Lutheran pastor conducting the services. The Sons of Herman held a short service at the grave. Interment was in the Burlington Cemetery.

The deceased is survived by his widow, one son and a number of grandchildren who reside near Burlington.

EPISCOPAL CHURCH

Sunday School at 9:45 a. m. Young People's Service League at 1:30 p. m. No preaching services as the minister will be holding a mission in Rockdale.

HOYTE H. D. CLUB

One of the most interesting club meetings of the year was held at the home of Mrs. Clyde Hensley April 14. The subject for discussion was 'Home Improvements.' Especially was the talk centered on pressure cookers.

The demonstration project was an entire meal prepared on a pressure cooker. The meal consisting of roast chicken with dressing, mashed potatoes, creamed onions and rice pudding was all cooked in the pressure cooker at the same time in less than forty minutes and without the flavors blending. The demonstration was so successful that several of the ladies are planning to get cookers.

At the conclusion of the lesson project the hostess graciously served the menu prepared followed by cake and fruit punch.

Mrs. Hooker and Mrs. Beckhausen were welcomed as new members. Mr. Hooker of Milano was a club guest.

The next meeting will be April 28 at the home of Mrs. H. B. Pressley.

MISSIONARY SOCIETY

The Methodist Missionary Society held interesting meetings in circles Monday afternoon. Circle one met with Mrs. B. J. Baskin with fourteen present. They had a lesson from Missionary Voice. Mrs. Blair of Denton made a very inspiring talk. Cream and cake were served.

BAPTIST W. M. S.

The Woman's Missionary Society met at the church Monday afternoon for enlistment under the direction of Mr. Hutcherson who conducted a very inspiring devotional. He presented to each lady a card on which was the name of some person who is not a member of any church but has the Baptist church as preference and asked them to visit the person indicated on their card for the purpose of enlistment.

The meeting will be in circles next Monday afternoon:

Circle one with Miss Mabel Jeter.

Circle two with Mrs. W. A. Beal.

Circle three with Mrs. C. W. Bradbury.

Circle four with Mrs. Ray Jenness.

The Sunbeams and Royal Ambassadors will meet Sunday afternoon at 2 o'clock.

MEMORIAL FILM BRINGS BIG ATTENDANCE HERE

The Woodrow Wilson Memorial Film brought a large and appreciative attendance here last Thursday. All the school children of the city attended and the film was very much appreciated by the people.

The film, a memorial to Woodrow Wilson is being sponsored by the Houston Chronicle and T. A. Fisher, superintendent, arranged for the film to be shown at the Hefley theaters.

Dr. Emil Klatt of Galveston was in Cameron this week and while here purchased a Dodge Coupe from the Sapp Motor Company, Pope Sapp returned from San Antonio Wednesday morning with the car, leaving there Tuesday night. On account of the demand Dodge cars are difficult to get at this time.

Wedding Invitations 35 Years Old Found Among Papers Here

Wedding invitations 35 years old have been found among the intimate papers of Mrs. Idella Green by her son Robert E. Green of Brownsville who was here this week.

The invitations will awaken interest among a wide circle of friends over the state as well as in Cameron and Milam County.

One of the invitations is for the double wedding which occurred uniting Judge and Mrs. Jeff T. Kemp and Miss Rosa Kemp to Mr. Frank Adams. Mrs. Adams is a sister of Judge Kemp.

The other invitation is that of the wedding of Miss Flora McIver to Judge Sam Streetman now of Houston. Judge Streetman while here was county judge and an attorney. He was appointed to the Third Supreme Judicial District of Texas at Austin and served there for a number of years ,later going to Houston where he formed a partnership with Tom Ball, late candidate for governor and Mr. Anderson under the name of Ball, Streetman and Andrews.

The invitations are finely engraved in delicate script and have been well preserved.

BITTEN BY RATTLE SNAKE

John D. Westbrook, son of Mr. and Mrs. Ed Westbrook, of Ben Arnold, while walking in a pasture near Ben Arnold Sunday, was bitten by a rattle snake and was brought immediately to the Cameron Hospital for treatment.

He ran some distance before reaching some one to tell what had happened. Mr. Westbrook rushed him to the Cameron Hospital where he received medical aid. Late reports are that he is getting along nicely.

White Leghorn hatching eggs and bay chicks at a reduced price. Yes, a real bargain for stock of this quality, for they are of same blood line of hens (hatched May 15, last year) that are making such wonderful records in the egg laying contests.

If you want chicks you will have to place your order three weeks in advance as I will only hatch as ordered. May and June hatch chicks are the easiest and cheapest to raise. Place your order now.

CATHOLIC FAITH NO BAR TO HIS PATRIOTISM SAYS AL SMITH IN REPLY TO LETTER OF LAWYER

Boston, April 17.—Governor Alfred E. Smith of New York, in a letter to the Atlantic Monthly, today declared that he recognized no power in the Roman Catholic church to interfere with the operations of the Constitution of the United States or the enforcement of the laws of the land.

"Moreover, I call your attention to the fact that I am only a layman. The Atlantic Monthly describes you as 'an experienced attorney' who 'has made himself an authority upon canon law'. I am neither a lawyer nor a theologian. What knowledge of law I have was gained in course of my long experience in the Legislature and as chief executive of New York state. I had no such opportunity to study theology.

Quotes Authority

"My first thought was to answer you with just the faith that is in me. But I knew instinctively that your conclusions could be logically proved false. It seemed right therefore to take counsel with someone schooled in the church law, from whom I learned whatever is hereafter set forth in definite answer to the theological questions you raise.

"I select one whose patriotism neither you nor any other man will question. He wears upon his breast the distinguished service cross of our country, the distinguished service medal, the ribbon of the legion of honor and the Croix de Guerre with palm of the Frech republic. He was the Catholic chaplain of the almost wholly Catholic One Hundred Sixty-fifth Regiment in the world War—Father Frances P. Duffy, now in the military service of my own State."

After giving his interpretation of Marshall's letter and stating that there was no conflict between religious loyalty and patriotic loyalty, the Governor said:

"I have taken the oath of office in this State 19 times. Each time I swore to defend and maintain the Constitution of the United States. I have never known any conflict between my official duties and my religious belief. No such conflict could exist.

People Testified

"Certainly the people of this state recognize no such conflict. They have testified to my devotion to public duty by electing me to the highest office within their gift four times. During the years I have discharged these trusts I have been a communicant of the Roman Catholic church. If there were confilct I, of all men, could not be a silent man, but a battler for social and political reform. These battles would in their very nature disclose this conflict if there were any.

"I regard public education as one of the foremost functions of government and I have supported to the last degree the State Department of Education in every effort to promote our public school system.

"My aim—and I may say I have succeeded in achieving it—has been legislation for child welfare, the protection of working men, women and children, and modernization of the State's institutions for the care of the helpless or unfortunate wards, the preservation of freedom of speech and opinion against the attack of war-time hysteria and the complete reorganization of the structure of the government of the State.

Acted for All

'I did not struggle for these things for any single element, but in the interests of all of the 11,000,000 people who make up the State. In all this work I had the support of churches of all denominations. I probably know as many ecclesiastics of my church as any other layman. During my long and active career I have never received from any of them anything except encouragement in the full and complete discharge of my duty to the State. Morever, I am unable to understand how anything that I was taught to believe as a Catholic could possibly be in conflict with what is good citizenship. The essence of my faith is built upon the commandments of God. There can be no conflict between them.

"Instead of quarreling among ourselves over dogmatic principles, it would be infinitely better if we joined together in inculcating these commandments in the hearts and minds of the youth of the country as the surest and best road to peace in the world to come. This is the common ideal of all religions. What we need is more religion for our young people, not less; and the way to get more religion is to stop bickering among our sects, which can only have for its effect the creation of doubt in the minds of our youth as to whether or not it is necessary to pay attention to religion at all.

"Then I know your imputations are false when I recall the long list of other public servants of my faith who have loyally served the State. You as a lawyer will probably agree that the office of Chief Justice of the United States is second not even to that of the President in its influence on the national development and policy.

The Governor, a Roman Catholic, and potential candidate for the presidency wrote the letter to the magazine in reply to an open letter, published in the monthly last month by Charles C. Marshall, New York lawyer and Episcopalian, who asked him a number of questions seeking to define his views on the religion of the Catholic church to the State. Marshall has been described as an authority as follows:

"Taking your letter as a whole and reducing it to commonplace English you imply that there is conflict between religious loyalty to the Catholic faith and patriotic loyalty to the United States."

The Governor declared that 'everything that has happened to me during my long public career leads me to know that such as that is true."

Sums Up Creed

Governor Smith summed up his creed as "an American Catholic" as follows:

"I believe in the worship of God according to the faith and practice of the Roman Catholic church. I recognize no power in the institution of my church to interfere with the operations of the Constitution of the United States or the enforcement of the law of the land.

"I believe in absolute freedom of conscience for all men and in equality of all churches, all sects, and all beliefs before the law as a matter of right and not as a matter of favor.

"I believe in the absolute separation of church and state and in the strict enforcement of the provisions of the Constitution that Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof.

"I believe that no tribunal of any church has any power to make any decree of any force in the law of the land, other than to establish the status of its own communicants within its own church.

"I believe in the support of the public school as one of the corner-stones of American liberty. I believe in the right of every parent to choose whether his child shall be educated in the public school or in a religious school supported by those of his own faith.

"I believe in the principle of non-interference by this country in the internal affairs of other nations and that we should stand steadfastly against any such interference by whomsoever it may be urged. And I believe in the common brotherhood of man under the common fatherhood of God.

Deplores Question

"In this spirit I join with fellow Americans of all creeds in a fervent prayer that never again in this land will any public servant be challenged because of his faith in which he has tried to walk humbly with his God."

The Governor, at the start of his letter wrote: "You 'impute' to American Catholics views which, if held by them, would leave open to question the loyalty and devotion to this country and its Constitution of more than 20,000,000 American Catholic citizens. I am grateful to you for defining this issue in the open and for your courteous expression of the satisfaction it will bring to my fellow citizens for me to give 'a disclaimer of the convictions' thus imputed.

"Without mental reservation I can and do make that disclaimer. These convictions are held neither by me nor by any other American Catholic, as far as I know. Before answering the argument of your letter, however, I must dispose of one of its implications. You put your questions to me in connection with my candidacy for the office of President of the United States. My attitude with respect to that was fully stated in my last inaugural address as Governor when, on Jan. 1, 1927, I said,

Not Candidate

"I have no idea what the future has in store for me. Everyone else in the United States has some notion about it except myself. No man could stand before this intelligent gathering and say that he was not receptive to the greatest position the world has to give to anyone. But I can say this, that I will do nothing to achieve it except to give to the people of this State the kind and character of service that will make me deserve it.'

"I should be a poor American and a poor Catholic alike if I injected religious discussion into a political campaign. Therefore, I would ask you to accept this answer from me not as a candidate for any public office, but as an American citizen, honored with high executive office, meeting a challenge to his patriotism and his intellectual integrity.

DOES YOUR LIGHT METER REGISTER CORRECTLY?

ARE YOUR BILLS TOO HIGH? HAVE YOU ANY COMPLAINT?

The legislature recently passed a bill requiring all towns under 40,000 population in Texas to maintain a meter tester to test light and power meters when customers have a complaint.

The city of Cameron recently purchased a meter tester and this tester is now ready for service. Light and power customers who feel that their meters are not registering correctly may now call the inspector and their meters will be tested and corrected if found at fault.

This service to the people is in compliance with the State law.

If any light or power consumer in the city of Cameron wants their meters tested they may telephone 19 to JACK OWINGS, City Electrical Inspector. He will test the meters and determine whether they are correct or incorrect.

The following charges are made:

3-Wire Meters, (Electric Stoves)	$2.00
Ordinary Meter, if correct	$1.00
Ordinary Meter, if incorrect	$1.50

Testing of stove meters will require considerably more time. If a meter is found faulty more time is required than when found correct because the inspector will have to spend more time determining all causes of improper operation. This charge is paid by the customer. If they feel that their meters are registering too fast then the small fee will not matter. If they are satisfied with their bills then no test is desired. Tests are not compulsory, the city merely being required to make tests when complaints are registered with the inspector, in compliance with the state law which was passed to protect customers against meters in error.

ALL COMPLAINTS ABOUT CREEPING METERS ARE TO BE RECEIVED BY THE INSPECTOR AT PHONE 19

By Order of City Council.

To Cameron Herald

I am interested in the marketing of cream and would like to see a milk route operated by my residence. I think the daily sale of cream would increase and the farmers would appreciate this service.

The Cameron Commercial Club is trying to increase the production and sale of cream from the farms in the trade territory. If the farmers will co-operate the club feels assured that it can arrange to have this milk and cream delivered daily into Cameron at the cream station where ready cash awaits the farmers.

The plan to encourage the production of cream and increase the revenues of the farm is suggested by Mr. S. M. Burns, active club director and member of the committee on home industry. If the farmers want to increase their income with ready cash the year round, they should sign and return the above coupon by not later than May 1. This signed coupon entails no obligation whatever. It is merely a canvas of the farmers who live on the roads out of Cameron to see if the production of cream may be increased so that the construction of a creamery here will be made possible.

THE CAMERON MERCHANT

For more than 49 years the Herald has been boosting for Cameron merchants—the home-town business men.

Cameron merchants stand by their home-town at all times; always willing to lend a helping hand in the support of every home enterprise; they back every move that is for the best interest of Cameron. They carry complete lines of goods in every department; they buy from the best wholesale markets and as they sell at right prices Cameron merchants are entitled to the trade of Milam County.

But we wonder if the citizens in and about here realize the great worth of the home-town merchants to the general life of the community, of the diverse things they do for the town and its people, and how much we, as a people, owe to them.

Back of every movement for good for development, for progress and uplift, are the home-town merchants, and often only the home town merchants, while others fold their hands in indifference other than to 'hold them out during beneficial showers.

Who is it that contributes most to community welfare—to church, to school, to society, to charity, to enterprises and improvements? The home-town merchants.

Who are the vital forces in every organization having to do with community life and betterment? The home-town merchants.

Who are the first to launch movements for various improvements, for better streets, for a cleaner city, for city beautification, for amusements and entertainments? The home-town merchants.

Who digs deeper into their pocketbooks to help worthy causes along—and calls come often during the run of a year—and who gives more support to community benefits, with their money, presence and voice—than the home-town merchants? Nobody.

Who are the first to speak up against that which is injurious to our home, to society, to the industrial, community—that is detrimental to the commercial ,financial and moral life? The home-town merchants.

Verily "day by day and in every way," Cameron merchants are contributing of their money, their time and their energy to make this community a bigger, better and busier place in which to labor and live.

It is well that our citizens give more than a passing thought to the debt they owe to Cameron merchants and that this debt can be repaid by giving to them the trade of the community, a trade that is rightfully theirs, a trade well earned.

The truth of the matter is, home-town merchants are selling goods at, or less than city prices, and if we will be fair enough to admit that it costs money to go to the city—car or bus fare ,gasoline, wear and tear of the car, time spent and shoe leather worn out—it is, after all is said and done, cheaper to trade at home, saying nothing of the spirit of reciprocity, of doing all we can for the home-town merchants, who do as much for us.

BE BRIEF

The world is in a hurry: please be brief.

Poor terminal facilities for authors and speakers often nullify all their excellent wisdom. A man may possess all kinds of useful knowledge, but fail in "discerning when to have done.'

Brevity is the touchstone of success in any field. You may offend your customer, your reader or your hearer in one respect and please him in another. But if you tire him with your tediousness, you lose him altogether.

The newspaper leads the style today in pith and cogency and has educated the public to the expectation of receiving much in little. The well-executed cartoon will impart a whole philisophy of life at a glance, or provide silent comment on current events worth a column of words.

Brevity is the soul of wit. Yet they who have wit, or think they have, are in especial danger of saying too much. Some one has said: "It is better to say nothing and be thought a fool than to open the mouth and dispel all doubt." Be brief.

ON BEING USEFUL

Men and women who sow the seed of constant useful activity reap the harvest of success from a soil fertilized by their own steady purpose. It would be as foolish to expect success without active exertion as to gather a crop before you plant the seed. But in cultivating that character which reaps true achievement you may sow in all seasons and gather the fruits with the serene assurance that even wind and weather—storm and stress—are a part of the process of personal growth.

Optimism is an ally of effort and success. It is the kernel of the nut, not the shell. It is the fine trait of the man, not the faults. It is the flowers on the hillside, not the dead leaves under the snow. It is the opportunity in any job, not the grind. It is up to the individual whether his world will be golden or drab. Optimism in a word is the eye of the soul. It is the color in the vision revealing the fine beyond the coarse, the best beyond the worst.

Scientists inform us we must wait 200 years to learn whether Mars is inhabited. What's it to be—a surprise?

It's funny, five or ten dollars will buy a good book on history which cost billions of dollars to make.

It should not be overlooked that in what is euphemistically called the Good Old Days, nine roads in ten were of detour quality.

It is reported that the younger generation is divided over the question whether corporal punishment should be inflicted upon parents.

MISSIONARY PICTURES TO BE SHOWN AT GAUSE AND BUTTON PRAIRIE

Next Saturday night the Bapist Missionary will be at the Gause Baptist church with a picture machine and a set of stereopticon picture slides, showing scenes of Missionary work in Southern Brazil. The program will be interesting and instructive. The same pictures will be shown at Button Prairie Sunday night. Sunday morning the Missionary will preach at the Gause Baptist church.

New Officials Are Named For Highway Department Here

New officials for the Highway Department in road maintenance have been named for this district.

J. H. Reaves, former county commissioner and maintenance man for the north half of Milam County, has been named to succeed A. E. Smith as maintenance superviser for Milam County.

John E. Blair of Bryan has been appointed district engineer for this district.

TWO AND A HALF INCHES

Rain Monday night reached two and a half inches in Cameron and over a wide section of the county .The rain will be a great aid to growing crops and to land grown hard during the windy days recently.

Cotton chopping is under way in the county and all grain and feed crops are well up. Gardens are splendid. Farmers are raising chickens and living at home this year and it looks like prosperity will return to matchless Milam.

DR. W. B. CALDWELL AT THE AGE OF 83

"Purges" and "Physics" Bad for Old Folks

While Dr. W. B. Caldwell, of Monticello, Ill., a practicing physician for 47 years, knew that constipation was the curse of advancing age, he did not believe that a "purge" or "physic" every little while was necessary.

To him, it seemed cruel that so many constipated old people had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which helps to "regulate" the bowels of old folks. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but each dose helps to strengthen the bowel muscles, shortly establishing natural "regularity." It never gripes, sickens or upsets the system. Besides, it is absolutely harmless and pleasant to take.

If past fifty, buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

MARSHALL REPLIES TO SMITHS LETTER

N. Y. ATTORNEY TRIES TO SHOW GOVERNOR NOT INFORMED AS TO TEACHINGS

New York, April 18.—Another chapter was added today to the documentary debate between Governor Alfred E. Smith and Charles C. Marshall, New York attorney and Episcopalian, when the latter made public a reply to Governor Smith.

Marshall's letter, written in answer to Governor's Smith's reply to his open letter in the Atlantic Monthly, challenged the governor's statement that the religious convictions imputed are not held by Roman Catholics, as far as the governor knows.

Supporting his contentions with quotations from the Manual of Christian Doctrine published by John Joseph McVey of Philadelphia, under the imprimatur of achbishop, now Cardinal Dougherty, Marshall contended that some of the teachings of the Roman Catholic church are irreconciliable with American constitutional principles. This, Marshall asserted, was a matter of policy and not religious controversy. His article Marshall asserted, was in the nature of an inquiry into church policy and not an attack on the Roman Catholic faith.

Marshall quoted the following excerpts from McVey's book:

"'In what order or respect is the state subordinate to the (Roman Catholic) church? Answer: In the spiritual order and in all things referring to the order.

"'What right has the pope in virtue of this supremecy? Answer: The right to annul those laws or acts of government that would injure the salvation of souls or attack the natural rights of citizens

"'What more should the state do than respect the rights of liberty of the (Roman Catholic) church? Answer: The state should also aid ,protect and defend the church.

"'What then is the principal obligation of heads of states? Answer: Their principal obligation is to practice the Catholic religion and, as they are in power to protect and defend it.

"'Has the state the right and the duty to prescribe schism or heresy? Answer: Yes, it has the right and duty to do so, both for the good of the nation and for that of the faithful hemselves; for religious unity is the principal foundation of social unity.'"

This book, which he said had run through 48 editions, Marshall asserted, was being used in high schools, and was one of the books from which the children of 20,000,000 citizens were being taught.

Quoting McVey, Marshall cited the following extracts as showing the position the Roman Catholic church took in the matter of dissenting faiths:

"'When may the state tolerate dissenting worships? Answer: When these worships have acqfired a sort of legal existence consecrated time and accorded by treaties and covenants.

"'May the state separate itself from the (Roman Catholic) church? Answer: No, for it may not withdraw from the supreme law of Christ.

"What name is given to the doctrine that the state has neither the right nor the duty to be united to the (Roman Catholic) church? Answer: This is liberalism, it is founded principally on the fact that modern society rests on liberty of conscience and of worship and on liberty of speech and the press.

"'Why is liberalism to be condemned? Answer: Because it denies all subordination of the state to the (Roman Catholic) church.'"

"If you will insist that this teaching applies only to the ideal Roman Catholic state," Marshall asked the governor, "may I ask why is it taught in the United States?"

Marshall said he accepted Governor Smith's disclaimer, but "I submit that you are wholly wrong in your statement that these convictions are not held by other American Catholics.

Marshall denied that he had made an imputation of disloyalty on the part of Governor Smith, but denied the governor's right to brand his inquiry as "religious controversy."

"I do not charge," he said, "that the teaching of Cardinal McVey's manual is disloyal in the sense in whic hyou use that word, but I do say it is dangerous and pernicious and one against which citizens other than Roman Catholics have a right to protest and act."

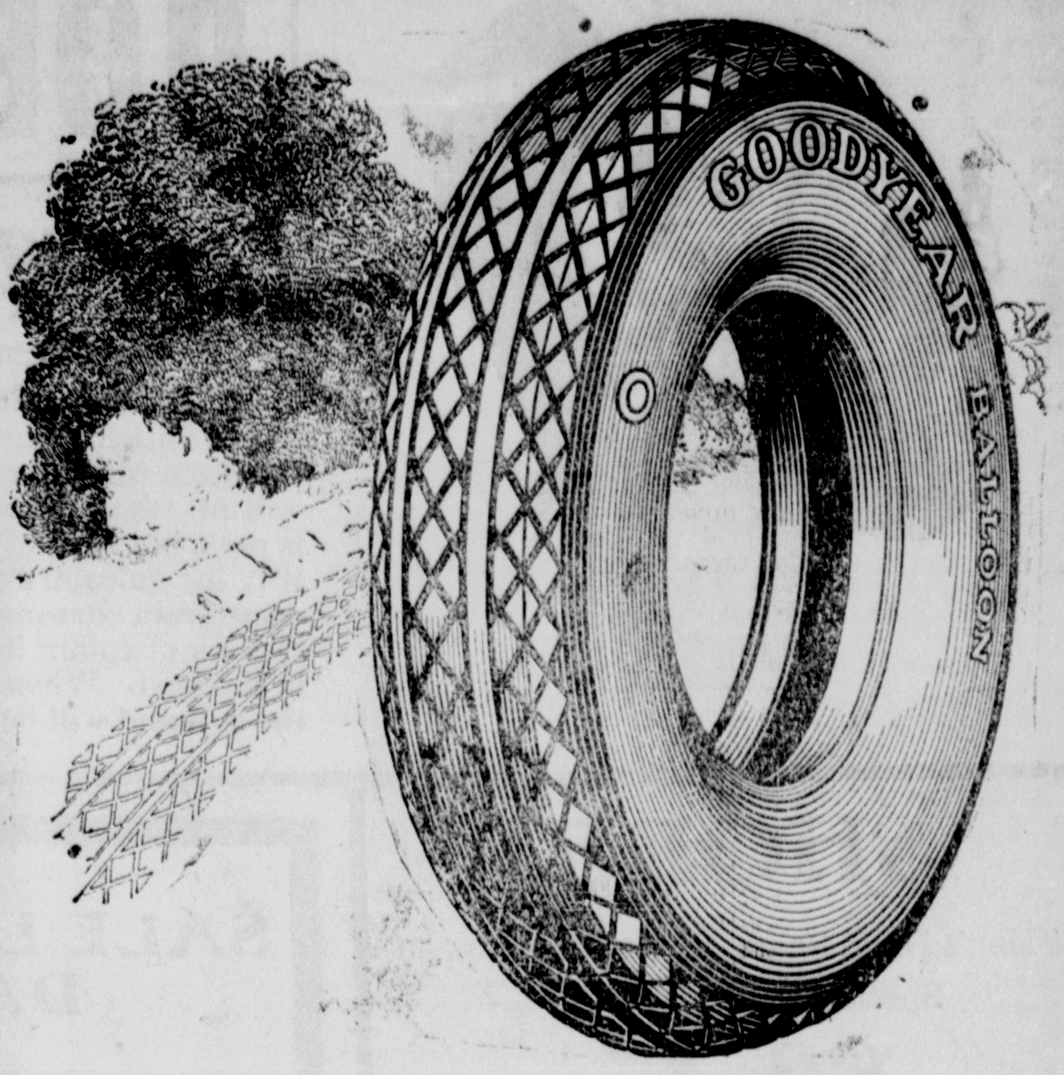
SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.



Real Non-Skid Performance Slow, Even Tread Wear

That's what this new All-Weather Tread Balloon Tire offers.

Real Non-Skid Performance—because the deep cut, sharp edged Goodyear blocks in the tread's center seize, grip and hang-on under all sorts of going.

Slow, Even Tread Wear—because these sharp-edged, diamond-shaped blocks are placed in a semi-flat design. They not only grip the road, but retain their usefulness longer than any non-skid tread heretofore offered.

Come in and see it. We'll let the tire do all the talking. We have it now in the 29x4.40 size for Fords, Chevrolets and other light cars. Backed by our standard Goodyear service.

DOBBINS GREAT SPRING BARGAIN SALE!

BEGINS FRIDAY MORNING APRIL 22 AND WILL LAST 20 DAYS

Promptly at 9:30 o'clock Friday morning, April 22 the doors of this big store will open for the greatest Bargain Sale that Cameron has ever known or likely will ever know. New Spring Goods are banked on counter, display rooms and to the ceiling in anticipation of your every need for Spring and Summer Wearing Apparel, Shoes, Clothing, Dress Goods for Women and Misses, Millinery, new Spring fabrics in piece goods and thousands of other items too numerous to mention. This big circular with all its space will not carry the items we have released in this super merchandising event. This sale will mark my entry in Cameron. From its date of opening and close all sales efforts will be dated. It will be epochal because of the great low priced selling that will be featured on bright, new Spring Goods. My word is staked on this event. I say it is positively the last sale of my entire career notwithstanding the mighty events in price making that have featured my Dry Goods Store in the past few years. This is not a hot air and hurrah sale to fool the public by offering false standards of bargain giving, but an honest and capable offering of goods that measures up to any stock in the country and at prices that defy competition. I buy right and I sell right. That is why my sales are always a success. Customers who buy here during these sales find the goods as advertised and at prices that substantiate all our claims to leadership in the field of bargain giving. Thousands will visit my store during this sale. They will come from surrounding counties over the good roads that lead to this premier dry goods center of Central Texas. Whole families will come. They will buy and they will save. So tremendous is this offering that we cannot adequately describe it. No cold type can explain it. The prices tell something of the story. What awaits you will exceed all expectations. You will be astounded. You will agree that this is the super sale of all our time in the Dry Goods business and there have been some mighty big ones in the past. When the doors swing open be here. Let nothing keep you away. An adequate sales force on hand to wait on the bargain seekers. We say no one will be disappointed or go away without buying what they want. On some lines we know the demand will be heavy. Don't wait for the last days of the sale. Be here on Friday morning when the doors are opened.

London Call Sells Buick

WHAT is believed to be the first retail automobile sale ever made by international telephone was closed recently by the Garber Buick Company when A. F. Penoyer, salesmen, sold a car to a prospect in London by telephone from Saginaw, Michigan.

The purchaser of the car is R. C. Morley of Morley Brothers Wholesale Hardware Company, who was in England on a business trip at the time. Penoyer, an enterprising salesman, learned that the head of the Morley concern was to talk from London to the directors of his company at a certain hour, and he made arrangements to be on hand.

"Hello, Mr. Morley," said Penoyer. "It seems good to hear your voice, even though you are a long way from home. I understand you are going to sail tomorrow. Before you left we tried to get your approval on one of our new Buick Country Club coupes. I would like to have one of these cars trimmed and equipped for you when you arrive home."

After a short discussion of terms, Morley gave the order for the car. He then talked for a moment with Guy Garber, Buick distributor in Saginaw.

At San Jacinto April 21, 1836

NINETY-ONE years ago on April 21, this great state was freed from Mexican rule by the victory of Sam Houston's troops over those of Santa Anna at San Jacinto.

History has revealed that this victory was but one link in the chain of destiny which eventually made this great Commonwealth the largest State in the leading Country of the world.

Expressing the gratitude which all Txans must feel toward the hero of San Jacinto we offer this tribute to the valor of Sam Houston and to our glorious state whose independence he there won.

Splawn Resigns As U. of T. President

DR. WALTER SPLAWN

Austin, Tex., April 18.—Dr. W. M. W. Splawn, first native Texan to hold the presidency of the University of Texas, Monday night resigned his post effective on September 1, 1927.

Dr. Splawn's resignation was submitted to the university board of regents Monday night after the board had spent two hours considering the report of T. W. Gregory, president of the ex-students' association, regarding future developments of the university plant. He told the regents in a signed statement that he desired to give his entire time to teaching and research work.

The resignation was accepted reluctantly by the board, Ed Howard, member of the board, said after the meeting. Dr. Splawn was immediately elected professor of economics of the university faculty.

Dr. Splawn, former member of the Texas railroad commission, Saturday was appointed as one of the federal rail wage arbiters.

NEW TIRE TREAD SUPERIOR PRODUCT

A new Goodyear balloon tire, bearing the scientifically designed All-Weather tread, announced after two years of intensive experimental work, has been placed on the market, according to Hubert Hefley tire dealer at Cameron. The latest offering of the Akron company is now on exhibition here.

"Car owners who experienced rapid and uneven tread wear in balloon tires will be interested in learning that this new balloon tire tread, adopted and placed in production by The Goodyear Tire and Rubber Company after 80 different designs had been developed, has the virtue of long, even and slow tread wear superior to any similar balloon tire tread so far constructed by Goodyear," Mr. Hefley said.

"In addition to this feature of greater mileage and improved tread wear, this new tread offers greater traction qualities and increased resistance to skidding.

"The sharp edged blocks of the new tread are placed in a semi-flat design so that they not only grip the road but retain usefulness longer than any non-skid balloon tire tread ever tried before. It is a great tire," Mr. Hefley declared.

A shipment of the new balloon tires has been received here and placed on display Mr. Hefley announced.

BRYANT STATION H. D. CLUB

The Bryant Station H. D. Club met for its regular meeting April 7 with Mrs. G. W. Odom. Our demonstration lesson for the afternoon being "rugs". We have about 20 members, Miss Bartholmew has furnished year books for each member and we are very proud of them.

We have had demonstration lessons on soaps, new and remaking of hats, yeast breads and rugs. We are proud to say that we can practice what Miss Bartholmew teaches. We know we are learning something worth while.

The State and District Agents were with us in March. They made a few suggestions to the club, talked about the "Scholarship Fund" and we were proud to tell them that Bryant Station club was among the first to pay their part.

We pay dues of 10c per month to cover expenses of demonstration lessons.

Our president and Secretary attended the Milam County H. D. Council April 2 and came to meeting April 7 chug full of what they had seen and heard. Mrs. Patterson told the club of the good ideas she had learned on good kitchen equipment and improvements.

When you see our exhibits on Rally Day you will know how much Miss Bartholmew is helping us to accomplish.

We meet the first and third Tuesday in each month with Miss G. W. Odom. Visitors always welcome.

WHY—?

The average Texas farmer gets up to the alarm of a Connecticut clock, buttons his Chicago suspenders to Detroit overalls, washes his face with Cincinati soap, sits down at a Grand Rapids table, eats Chicago meat and Minneapolis flour cooked on a Sears-Roebuck stove. He goes out to the barn and puts a New York bridle on a Missouri mule fed with Colorado alfalfa, plows the farm covered by a Vermont mortgage with an Illinois plow. When bedtime comes he reads a chapter from the Bible printed in Boston, says a prayer written in Jerusalem, crawls under a blanket made in New Jersey, only to be awakened by a Texas dog, the only home product on the place. And then he wonders why in the h—he cannot make money raising cotton.

A Word With the Old Folks

Elderly People Are Learning Importance of Good Elimination.

IN the later years of life there is apt to be a slowing up of the bodily functions. Good elimination, however, is just as essential to the old as to the young. Many old folks have learned the value of *Doan's Pills* when a stimulant diuretic to the kidneys is required. Scanty or burning passages of kidney secretions are often signs of improper kidney function. In most every community are scores of users and endorsers who acclaim the merit of *Doan's. Ask your neighbor!*

LEGISLATURE CALLED IN SESSION MAY 9TH

THREE MAJOR ITEMS ARE LISTED BY GOVERNOR MOODY FOR CONSIDERATION

Austin, Texas, April 18.—Governor Dan Moody this afternoon called the legislature to meet in special session May 9, listing three major items for consideration.

The legislature will meet at 12: o'clock noon that day "for following purpose." To pass general appropriation bill for the ensuing beinnium to pass a selective civil service law providing for selection of subordinate employes of the state government under the classified civil service system; to adopt such laws as may be necessary to establish a more efficient and economical development of a system of correlated state highways; to consider and act on such other subjects of public importance as the executive may from time to time during the session, submit by message or otherwise.

Governor Moody listed civil service as the second most important problem, placing the appropriation measures first. The special session will last 30 days unless members elect to stay longer than that time at the salary of $2 per day. Indications are that a second special session may be called after the first, on account of the heavy business in prospect.

RUPTURE Expert Here

The Seeley Co's expert, of Chicago, will personally be at the Raleigh hotel and will remain in Waco Thursday only, April 28. Mr. Seeley says:

"The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former methods —exemplifying instantaneous effects immediately appreciable and withstanding any strain or position no matter the size or location. Large or difficult cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions.

CAUTION—All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. Our expert will be glad to demonstrate without charge or fit you if desired. Business demands prevent stopping at any other place in this section.

N. B.—Every statement in this notice has been verified before the Federal and State Courts.—F. H. Seeley.

Your newspaper

costs more than the light you read it by

FOR example: You may have two 25-watt lamps in a two-socket reading lamp. For comfortable reading you should have two 50-watt lamps. The larger lamps will more than double your light and the average cost will be less than a penny an hour.

—and by using the right amount of light you protect and preserve your eyesight.

Electricity is so cheap it's foolish to stint on light.

Intelligence!

Adam Black, Schotchman, founder of the well-known firm of publishers, abroad, said, in refusing knighthood which was offered to him for his great services in the cause of literature:

"Na, na; it would na' do to have the laddies comin' into the shop and saying, 'Sir Adam, I'll take a pennyworth o' pens.,"

It is this sense of fitness that marks "the canny Scot." And it is, after all, intelligence, plain and thorough. One has one thing or the other—not both with equal success. Mr. Average-Saver finds this out when he tries to rush Wall Street fame through fly-by-night investments. Keep a sense of fitness—be intelligent—Investigate.

W. L. TURNER KILLED BY MADISONVILLE TRAIN

MADISONVILLE EDITOR KILLED SUDDENLY BY PASSING ENGINE

Mr. W. L. Turner was instantly killed by the passenger train just before it reached the depot Monday at about two minutes after one o'clock. He was walking along the track going in the direction of the depot himself and did not hear the train until some one warned him of the danger and it was too late for him to clear the track before the engine reached him. The body was very badly mangled. There were several eye witnesses to the tragedy.

The sad news of the death spread rapidly over the city and it was hard to believe that such a tragedy had happened. Friends soon gathered and removed his body to the J. M. Day undertaking establishment where it was prepared for burial.

Mr. Turner had long been a citizen of Madisonville. He established The Meteor here more than thirty-three years ago and had spent most of his life since that time to the upbuilding of Madisonville and Madison county. In the years passed he had worked unceasingly for the betterment of the county and his untimely death comes as a great shock to his relatives here and elsewhere in the state.

Deceased was 70 years, two months and fourteen days old and leaves to mourn his death two sons and one daughter, W. N. and W. E. Turner of this city and Mrs. W. K. McLean of Crockett, Texas, besides a host of friends and other relatives.

Funeral services were held at the Methodist church Tuesday morning at ten o'clock. Rev. T. B. Anderson, his pastor, conducting the services assisted by Rev. Hughes, pastor of the Conroe Methodist church, interment in the city cemetery.

There was one of the most beautiful and elaborate floral offerings we have ever seen at a funeral, bespeaking the sympathy of the many friends of the deceased and his family.

Active pall bearers were W. D. Evans, B. F. Dean, W. M. McDonald, Judge W. V. Jones, J. D. Viser, Jno. R. Burtis and E. H. Smith.

Honorary pall bearers were: J. N. Heath, Tom Farris, C. W. Wells, W. M. Stone, Jim Walton, V. S. and W. R. Nance, Huntsville; P. C. Kelton, T. W. Beyers, E. R. Hawkins, Jno. Byers, Dr. James E. Morris, W. E. Boney, J. L. Cleere, J. E. Gray, W. L. Parten, Jno. F. Tinsley, O. A. Parten, T. M. Kellett, J. R. McIver, John May, J. H. Mize, G. B. Randolph, R. F. Andrews, E. L. Leonard, J. W. McBride, George F. Wallace, George Scott, G. L. Mabry, T. B. Viser, Dr. F. B. Mabry, Port Arthur; J. A. Turner, T. T. Dean, T. W. Worley, H. H. Barrett, J. A. Gibbs, Seth Batson, Normangee; Robert Gibbs, Roy Fannin, J. L. Cooper, Jim Wilson, M. C. Goods, D. Brizzolara, Wm. Forrest, Robbie Burtis, J. Hodges, Abilene; R. A. Wakefield, Dallas Evans, Jim Tinsley, Powell Shannon, A. L. Steele, Joe Gibson, J. A. Fannin, W. W. Steele, J. L. Broadway, C. L. McIver, U. W. Andrews, Joe E. Webb, J. J. Green, J. W. Goff, E. A. Berry, Houston; E. A. Crowder, John Connally, Bryan. Jim Floyd, Mace Thompson, J. O. Thompson, L. O. Thompson, Virgil Ford, Foster Marsh, Tom Allen, Lurther Hensarling, A. L. Hensarling, Neal and Ed Bullard, R. M. Conner, O. E. Parten.

The above article was set by W. N. Turner, eldest son of the deceased, at his own request. He wanted to be permitted to set the last article of his father's death in The Meteor, the paper founded by his father, and we are glad to grant this unusual request. He had worked on the paper with his father for many years and during the past several years they had been great pals together.—Madisonville Meteor.

Relatives of W. L. Turner who survive him are well known here. Mrs. W. T. Rogers, sister, Cameron; three nephews, W. A. Conner and A. R. Conner of Cameron and J. C. Conner of Houston; also Mrs. Bill White, sister at Bryan.

The relatives here have the sympathy of the people of Cameron in the death of Mr. Turner.
